

MUCH MORE THAN A CITY LIFE

MUCH MORE THAN A CITY LIFE

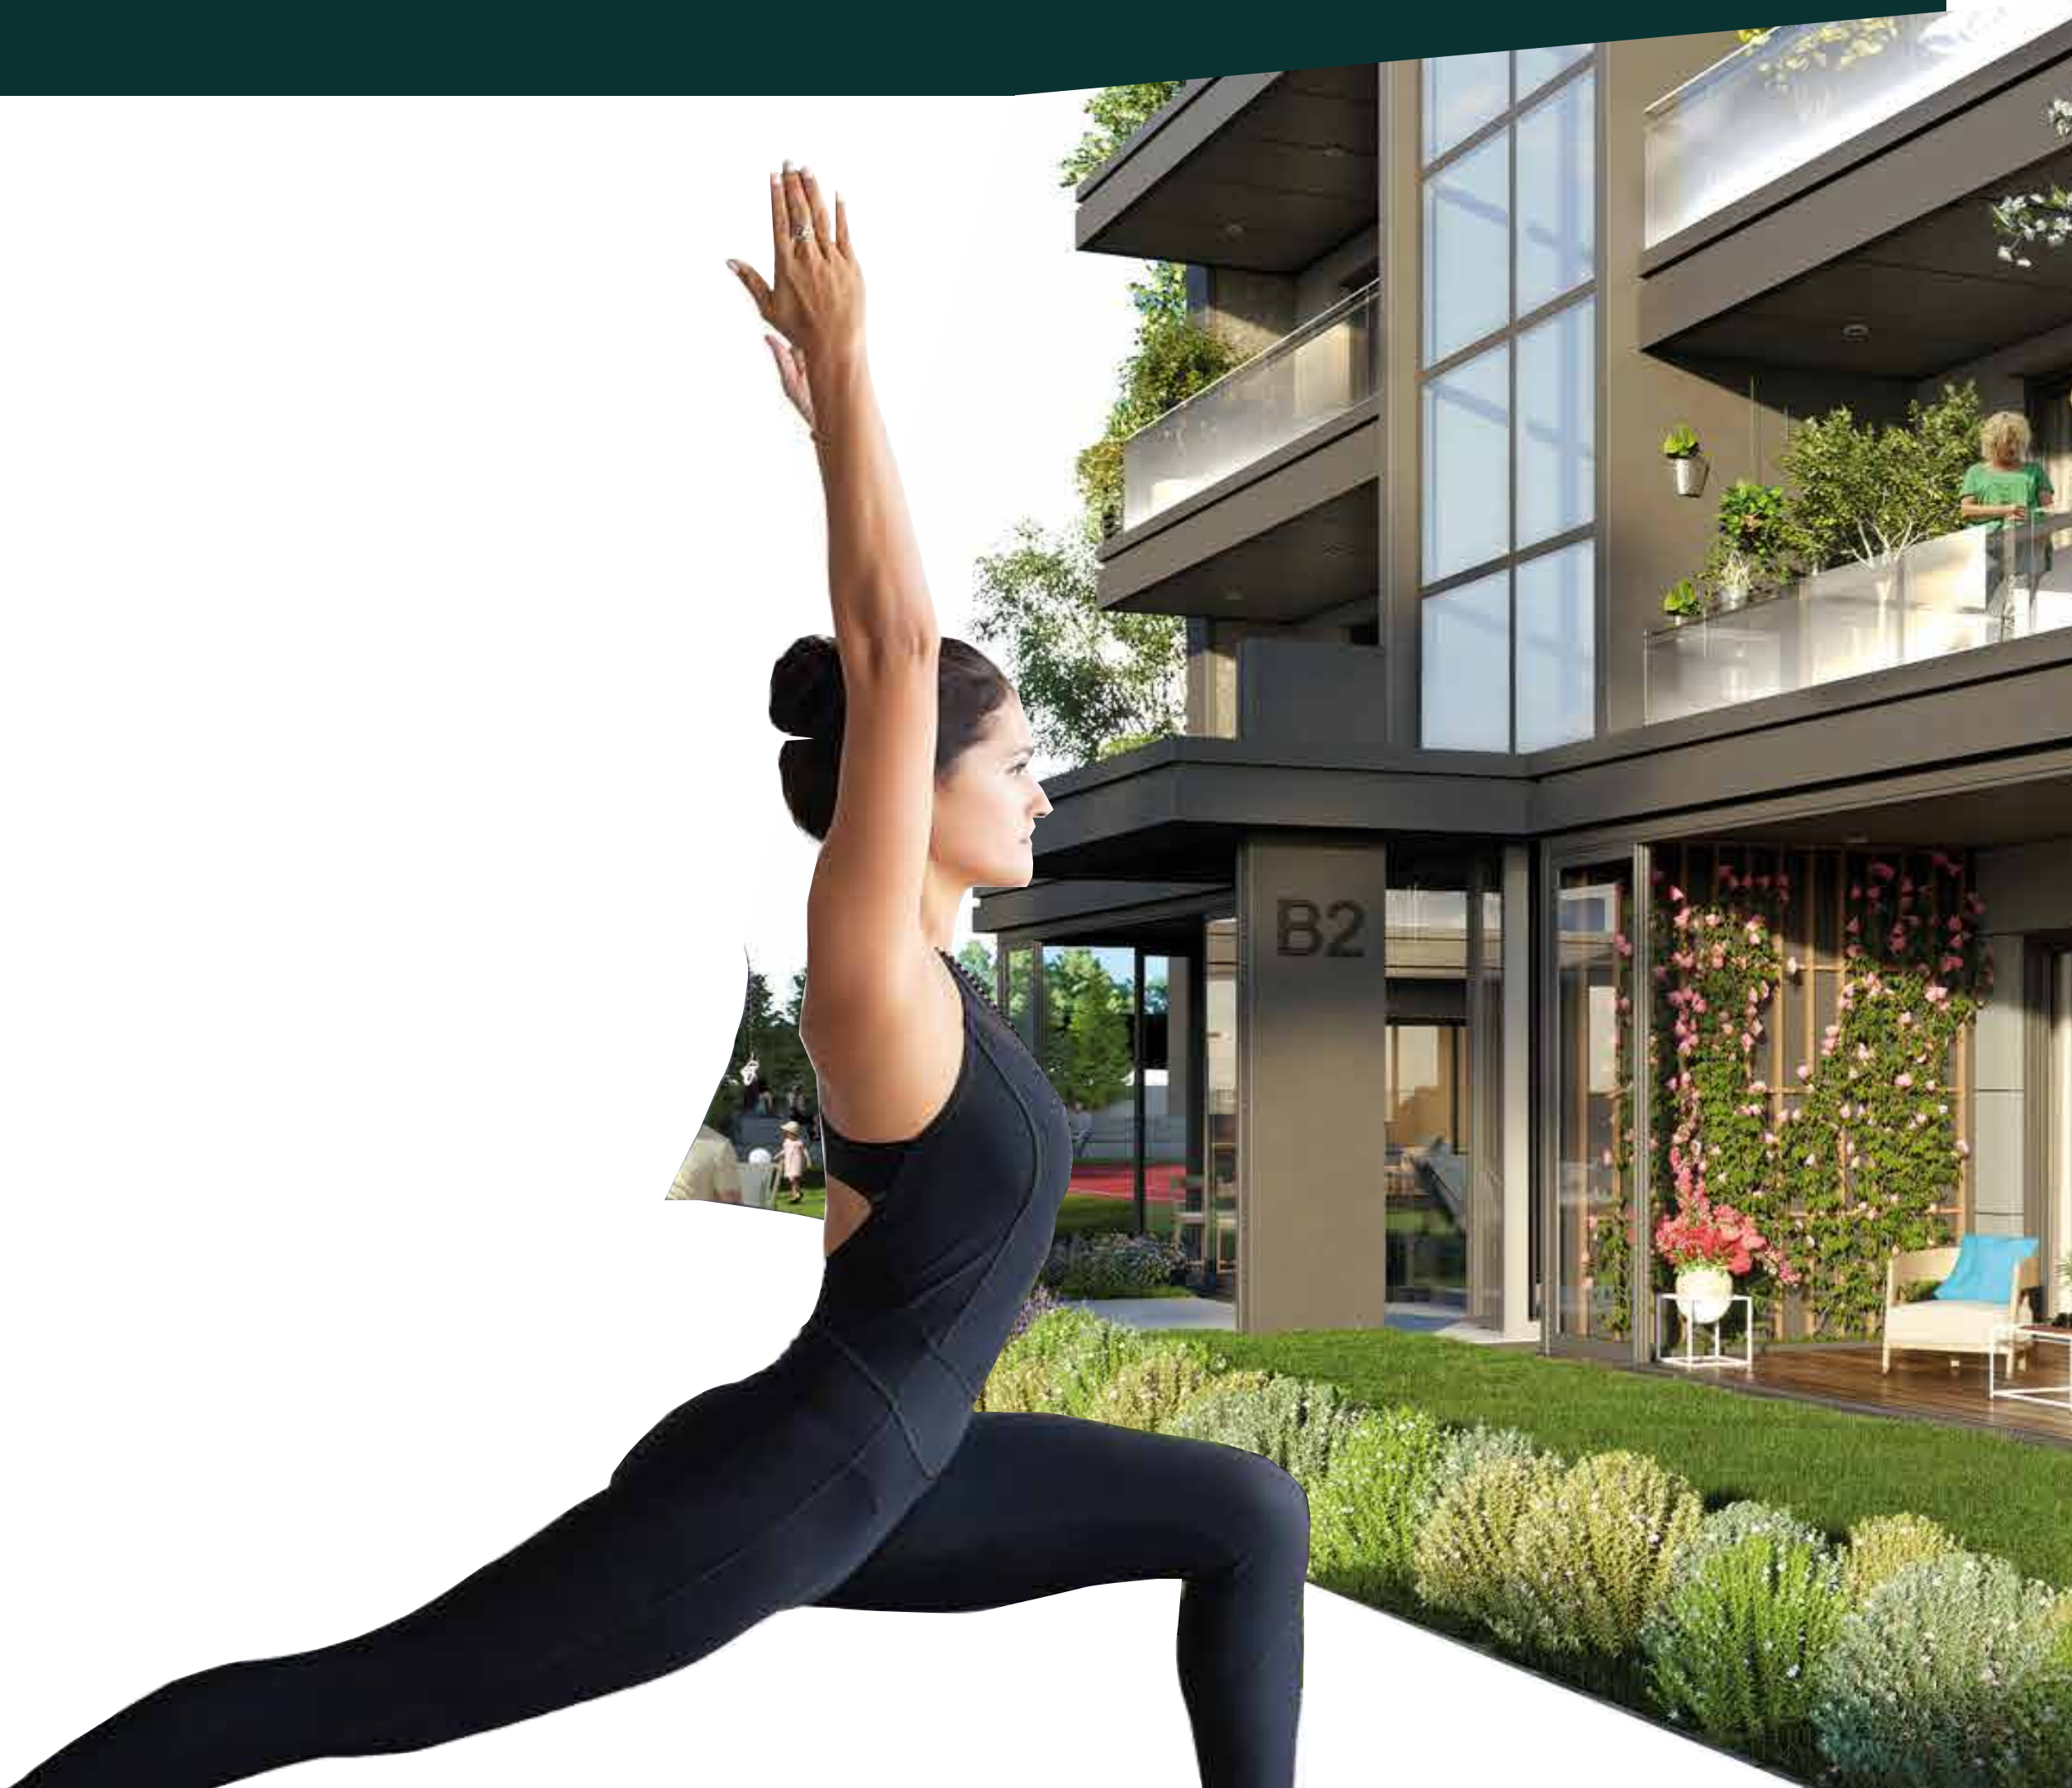

A low-rise, very peaceful living space in Istanbul Çekmeköy, one of the most well-known international construction companies that it has designed for every lifestyle. Here you will be in the center of the city, at the center of attraction of life.

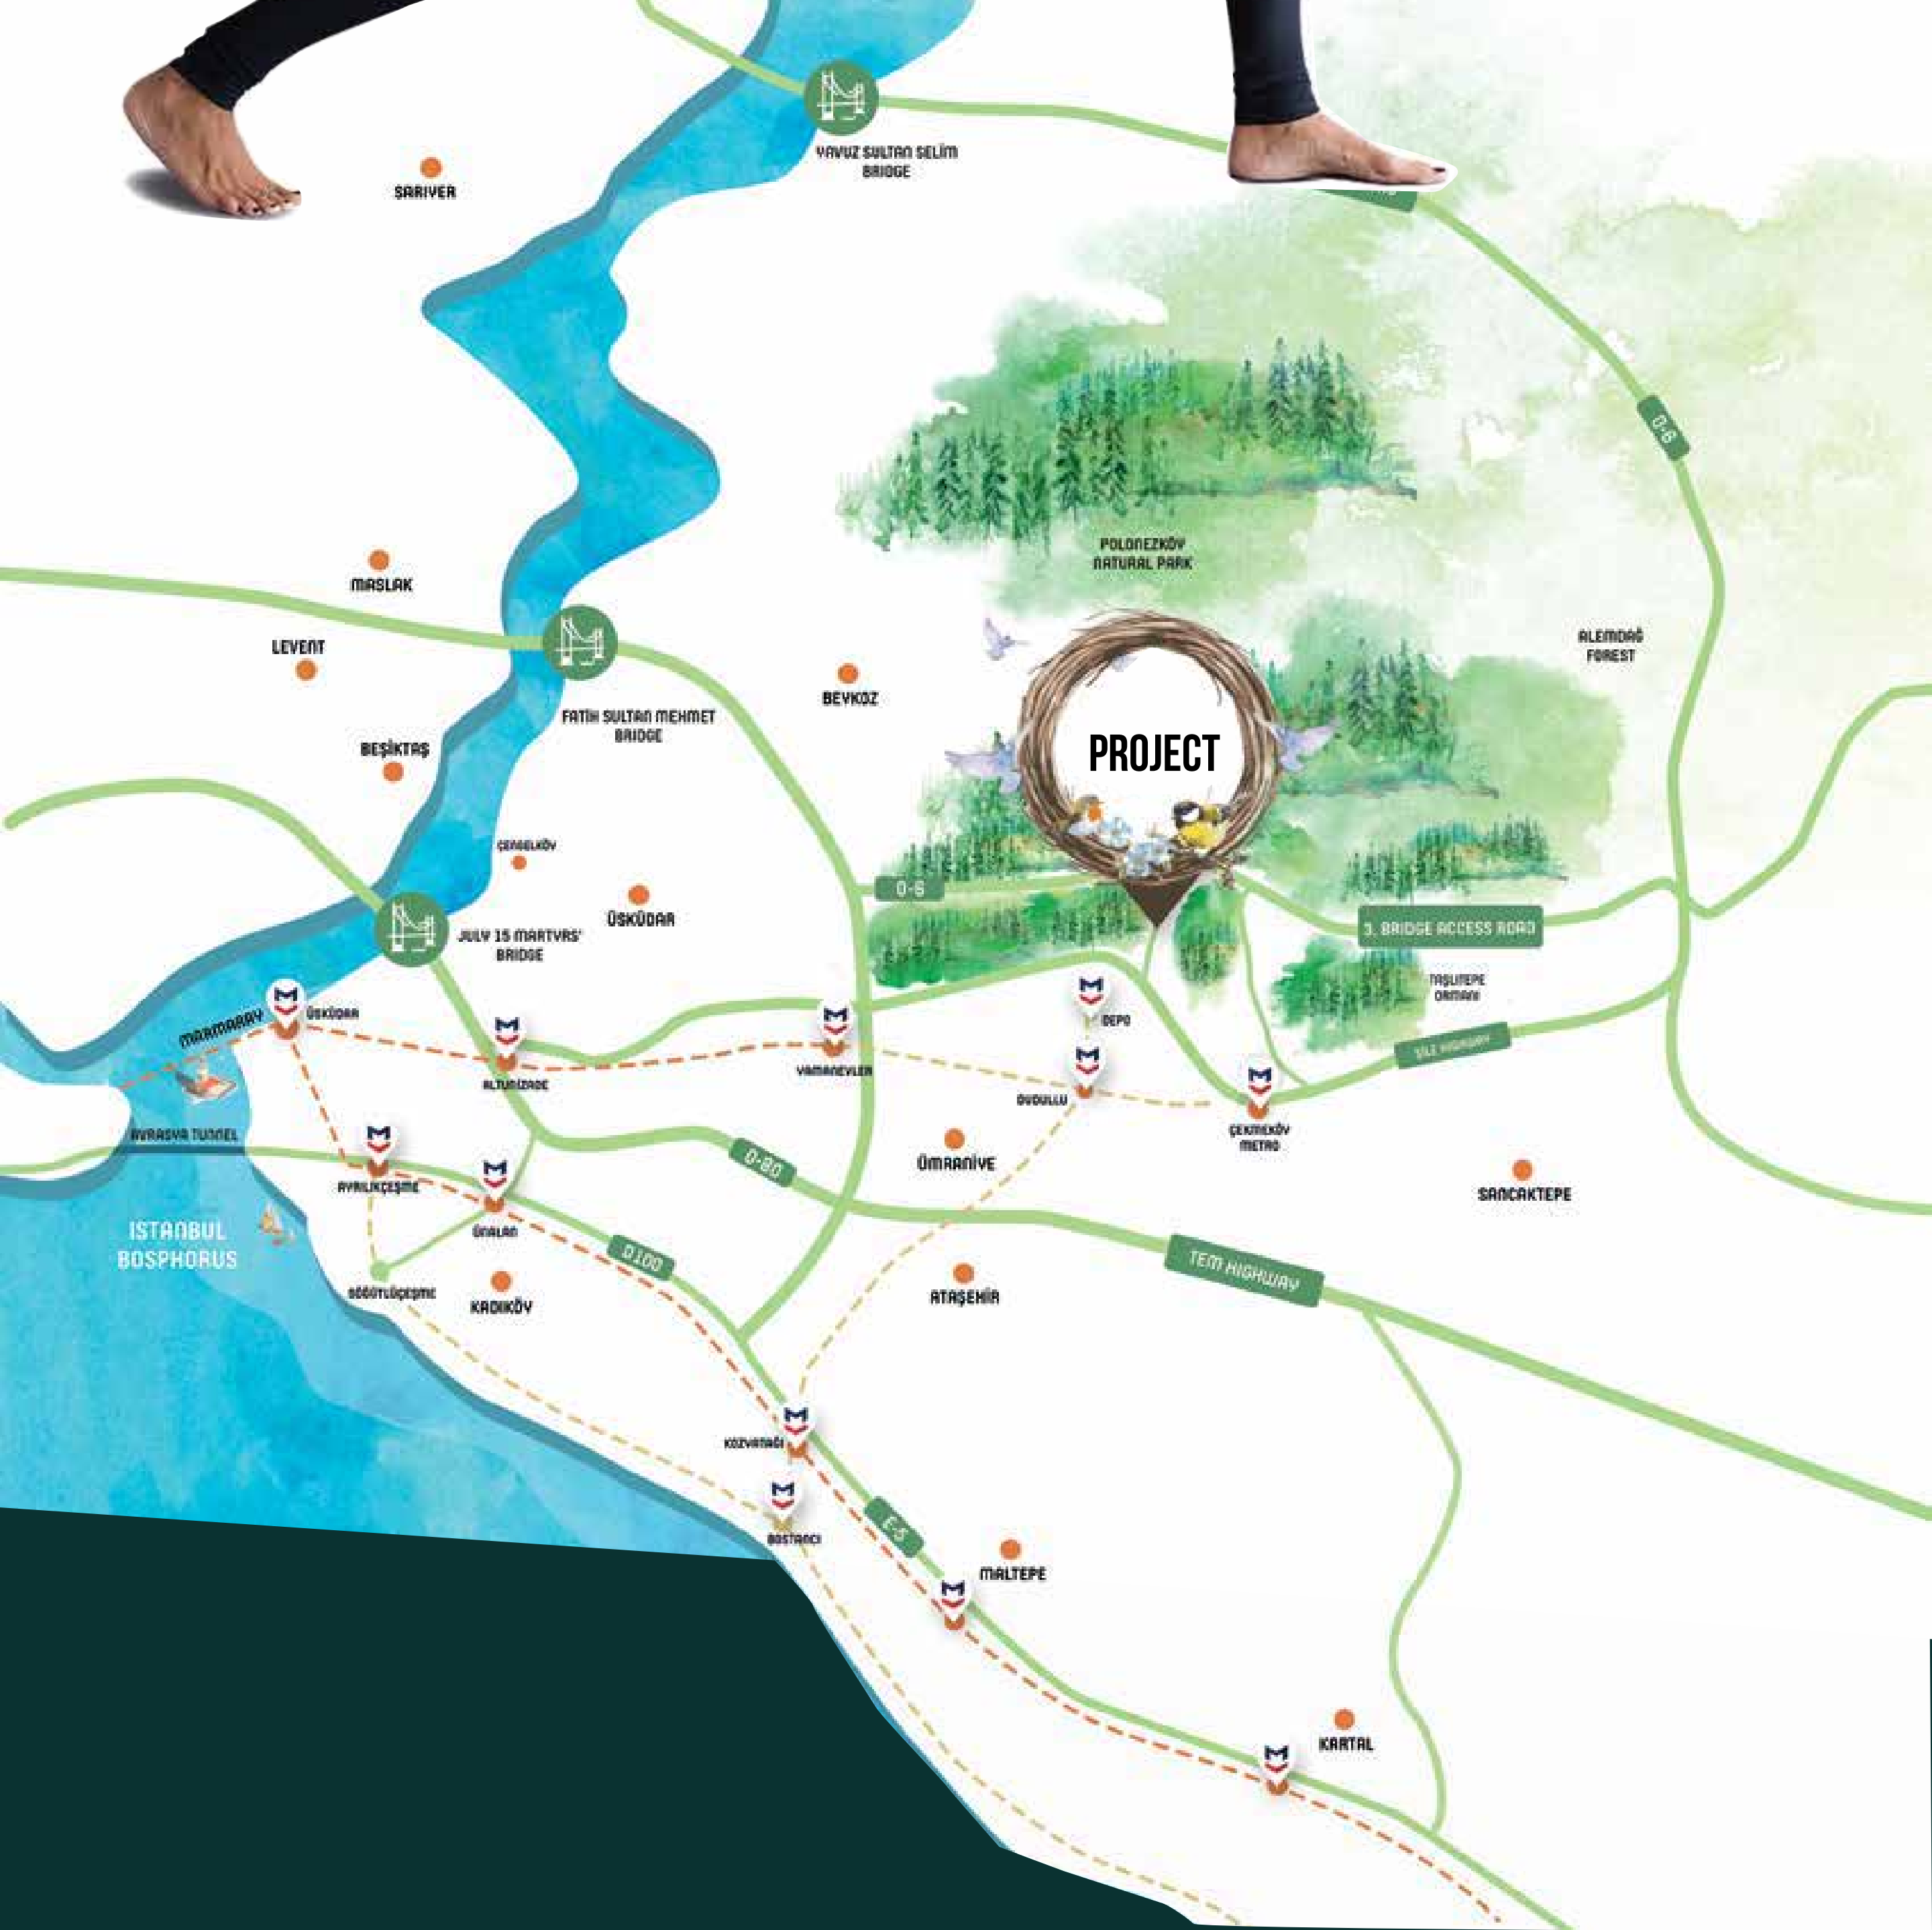

MUCH

You can easily reach not only the attraction centers of Istanbul, but also the key points of the transportation networks that extend to every part of the city. In this project, you will experience the privilege of being adjacent to the three important office centers of the Anatolian Side, the top-quality education centers of Çekmeköy, and all other points that will always meet your needs.

MORE

Located in Çekmeköy, one of the rising regions of the Anatolian Side of Istanbul, The project offers ideal opportunities for investors with its nature, scenery and wide social opportunities. There are different types of residences such as 2+1, 3+1, 4+1 and 5+1 in the project, of which 75% consists of green areas. The project, which is intertwined with Polonezköy Nature Park and pine forests, adds to its value with its proximity to connection points such as FSM Bridge, TEM Highway, Beykoz, Şile Highway.
