

OSLO HEIGHTS

MUMTAZ CITY
(RAWALPINDI-ISLAMABAD)

An aerial night view of Islamabad, Pakistan, showing a dense cityscape with numerous lights. The image is framed by a thick yellow border. The text is overlaid on a dark, semi-transparent rectangular area in the upper center of the image.

Islamabad The Beautiful!

Islamabad is one of the most beautiful city in the world. It symbolizes progress, innovation, architectural superiority as well as natural beauty.

From the spectacular greenery to the breathtaking views of the Margallah Hills the city is naturally blessed. On top of this, Islamabad also dominates the urban and architectural development within the region of South Asia. Which is why it is the perfect abode for **Oslo Heights**.

Directors' Message

We understand how important it is to have a home that meets the demand of your today's lifestyle.

Oslo Heights is a combination of quality, prime location, and affordable prices. Finished to an exceptionally high standard the development comprises of Modern Apartments and Commercial Shops. An important factor that differentiates us is our commitment to satisfying our client's needs. Right in the heart of Mumtaz City, **Oslo Heights** provides investors with the perfect opportunity. Being unique in its nature, it is the project that will prove itself a landmark of the town.

We appreciate your interest in **Oslo Heights**. We are certain that you will find your experience to be superior.

Welcome to Oslo Heights

First of its kind, 12 stories multipurpose building, **“Oslo Heights”** at Mumtaz City, situated on the Main Allama Iqbal Road, with spectacular views of Margalla Hills Islamabad.

This trailblazing project by Capital Builder & Developer LLP, specialising in the development, infrastructure, water, sewerage and drainage systems, including commercial and residential builds. CBD understands the importance of people, therefore has built a dedicated and committed team, ensuring 100% service to clients and projects we manage.

Basement and lower ground Consist of Parking, a Gym, Prayer Area & Kids Play Area. The ground floor Consists of Shops (Commercial Area). First to 11th are residential floors with separate entrance and are dedicated for 1,2,3 Beds and studio Apartments. The Fabulous view of the surrounding area will be a daily mood enhancer. There is also a Jamia Mosque in front of the project and a prayer area in the project.

Your Health and Safety is a priority for us at **Oslo Heights**, therefore we have a fire alarm and firefighting sprinkling system, sensor and CCTV in place along with emergency exits all of international standards, there will be a secure entry system in place, assuring our residents peace of mind. A standby generator will be in place to ensure comfortable living and recreational time.

An aerial view of a modern building's central courtyard. The courtyard is paved with light-colored tiles and features a central garden area with green grass, a large pink flowering tree, and a circular water feature. Several outdoor seating areas with white cushions are arranged around the perimeter. The building's facade is modern, with large windows and colorful architectural accents in shades of blue, green, and red. The overall atmosphere is bright and contemporary.
